Dear Ms. Ward:

Thank you so much for taking the time to show me the DECAN cheetah refuge! This was an opportunity which I will truly cherish. It was wonderful to be with those beautiful animals in their natural habitat. Moreover, I was moved by the enthusiasm with which you led the tour. I know that upon your departure, not only will Dr. Lafrance and the refuge volunteers miss you, but so will the animals. You have, beyond a doubt, made a positive difference in the refuge and the animal's wellbeing.

Thank you for your wonderful service and all the best to you in your future assignment in Hawaii.

*You can be very proud that your efforts led to the most popular volunteer program at CJTF-HoA!  
Well Done...*

Sincerely,

P. H. GREENE, Jr.
